

Food & Nutrition Summit

**MSU-BILLINGS
APRIL 18-20TH 2024**

Attending Dietetics conferences is essential for Registered Dietitian Nutritionists to stay current in the field. Sponsorship opportunities offer a way to fund and enhance attendance for both upcoming students and practicing dietitians, and network with industry professionals. With your help, the Montana Academy of Nutrition and Dietetics will offer student and professional scholarships to bring attendees from across the state to engage with world-class speakers.

Donate today to support your local dietitian!
